

QOpenGLWidget

QOpenGLFunctions

GraficadorHistograma

```
classDiagram
    GraficadorHistograma --> QOpenGLWidget
    GraficadorHistograma --> QOpenGLFunctions
```

The diagram illustrates a class hierarchy where the `GraficadorHistograma` class inherits from both `QOpenGLWidget` and `QOpenGLFunctions`. A horizontal line with upward-pointing arrows at both ends connects the two parent classes. A vertical line descends from the center of this horizontal line to the `GraficadorHistograma` class box below.
